“ Oh Bob, Boones Farm, Midori and ur can of coke, skipping school and riding down dirt roads in your convertible, hanging in your garage til Vicki's mom came and got us... very late in her robe and curlers... and they say youth is wasted on the young... good times never to be forgotten, so sorry you are gone.

Well of course we all boarded Bob's bus for the most hilarious night of my life and I'm sure everybody that got on board would agree.Bob thanks for the memories my friend. Mark Litchfield

“ Where to begin...you are apart of my best memories growing up at Morgies. Never a dull moment when my snacks were delivered, some embarrassing, some funny, but always interesting. Whenever we are around each other it was always great laughs...I can still hear the laughter...fly high with your coke can in hand...lots of love my friend!!

“ Hey Bob, met you up the Highland upteen years ago. Remember us dealing w/poly pipe spraying a geyser, catching skunks in hava heart traps, the "pain in the A" pool, chasing goats/sheep that got out of the pens, the 3ph that would cut out in the kitch. We pretty much always had a laugh about it, even if we were carrying blue rotted chicken out of the cooler. I still laugh out loud thinking about when you drove that smokin oiled filled lawn mower around the smoking area-over and over LOL. Bob, I want to put a lot of names in here of the people we hung with down at the camps, but it's the F'n internet you know. We all had a good time together. Something else I want to let you, Maureen, always thought the world of you. A lot of people here miss you. Bob, I already miss seeing your face, God Bless

“ My best memories of Bob was going to the garage as I'm sure it was to many people. All were welcomed. It was a safe place to party and have a great time with your friends. We had our own special group and during the week we all knew we'd be with our friends same time, same place...Bob's garage. I was dating him at the time and while talking to a mutual friend that also dated Bob, we realized, Bob dated everybody. Lol. Rum and coke, women, and fast cars, and a perverted mind. That was our Bob. Miss you, Bob. There will never be another like you.
